RECITALS

WHEREAS, the State has the need to purchase and the Contractor desire to sell; and,

WHEREAS, the State has the authority to offer contracts to CPV Members of the State of Minnesota and to other states.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the parties agree as follows:

INTENT AND PURPOSE

The intent and purpose of this Agreement is to establish a contractual relationship with equipment manufacturers to provide, warrant, and offer maintenance services on **ALL** Products proposed in their response to the RFP issued by the State of Minnesota. The Contractor may use subcontractors to provide the warranty and/or maintenance services; however the Contractor will be responsible for working with the equipment manufacturer on behalf of the Purchasing Entity and for the timeliness and quality of all services provided. No type of Lease transactions are allowed through this Agreement.

The Agreement is **NOT** for the purchase of major, large hardware or hardware and software offerings. In general, individual units/configurations should not exceed \$50,000 each. It is the expressed intent of some of the Participating States to set this level at not to exceed \$25,000 each. This **IS NOT** a restriction on how many units/configurations can be purchased, but on the value of each individual unit/configuration. Individual Participating States and Participating Entities may set specific limits in a participating addendum, with the prior approval of the WSCA Directors.

Contractors may offer, but Participating States and Entities do not have to accept, limited professional services related **ONLY** to the Equipment and configuration of the Equipment purchased through the Agreement.

The non-breaching party shall retain any and all other remedies available to it under the law.

The terms of this Agreement and any Purchase Order issued for multiple years under this Agreement is contingent upon sufficient appropriations being made by the Legislature or other appropriate governing entity. Notwithstanding any language to the contrary in this Agreement or in any Purchase Order or other document, a Purchasing Entity may terminate its obligations under this Agreement, if sufficient appropriations are not made by the governing entity at a level sufficient to allow for payment of the Products or Services due for multiple year agreements, or if operations of the paying entity are being discontinued. The Purchasing Entity's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final and binding.

A Purchasing Entity shall provide sixty (60) days notice, if possible, of its intent to terminate for reason cited above. The Contractor's obligation will be void as to any Products or Services modified by the Purchasing Entity to the extent such modification is the cause of the claim.
